March 16, 2016

Sabine River Authority of Texas Executive Order Lifted

Effective immediately, the Executive Order issued on March 13, 2016 regarding the Toledo Bend Project, north of "The Government Ditch" to the Texas/Louisiana State Line, being closed to traffic, other than law enforcement and rescue, has been lifted.

A handwritten signature in black ink, appearing to read "David Montagne", is written in a cursive style.

David Montagne
Executive Vice President & General Manager
