This event is free and open to the public. For more information, please contact Lane Dunn, CEA-Ag/NR or Jheri-Lynn McSwain, CEA-FCS at the Extension Office or Daphne Lovell, Office Manager at 598-7744.

Students are actively engaged in learning about agriculture and its importance in our everyday lives. Many children never have this opportunity. This event is open to the public and is free of charge.

You can teach a student a lesson for a day; but if you can teach him to learn by creating curiosity, he will continue the learning process as long as he lives.
