

Have a kid's back and donate a pack

The school year is just around the corner and the [Shelby County Children's Advocacy Center](#) wants you to help child abuse victims in need by providing them with a backpack.

There are two ways to donate: buy a backpack yourself and fill it with basic school supplies **OR** a \$25 donation will sufficiently provide one child with a pack and supplies.

Take backpacks to the Shelby County Children's Advocacy Center, 131 Tenaha Street. Center, Texas from 9-3 Monday thru Friday. Call us at 590-9864.

PLEASE GIVE BY AUGUST 5th

The children receiving these backpacks all benefit from life-changing programs made available by the SCCAC.
