

Riders of the Week

October 3 – October 7, 2016

Jenny Vega

Ms. Phelps chose **Jenny Vega** for Rider of the Week. Jenny's favorite book is *Frozen* because it is about helping others. For fun she likes to play with my toys and play with my friends at school. Her role model is her mom because she works hard and does many things to take care of her family. Ms. Phelps chose Jenny because she follows the rules and always put forth great effort. Jenny is quiet, helpful to friends, and always does her best.

Mrs. Fitzgerald chose **Kingston Hurst** for Rider of the Week. He is in Kindergarten and is 5 years of age. Her favorite movie is *Power Rangers* and she likes to read books about Dinosaurs. Her role model is her dad because he plays and spends time with her. Her favorite thing to do is play outside in the big toy at school. Mrs. Fitzgerald says Kingston is always very dependable. He is cooperative and takes an active part in all of our classroom activities. He takes great pride in his work and always does his best.
