

Riders of the Week

October 3 – October 7, 2016

Mrs. Amos chose **Leo Alvarado** for Rider of the Week. His role model is his dad and mom because they are very responsible and take very good care of the family. He wants to be an engineer because he wants to design buildings. For fun, he likes to run, lift weights and play soccer, football, and any kind of outside activities. Mrs. Amos chose Leo because he is a gentleman in class and around school. He is a hard worker.

Mrs. Amos also chose **Alexis Truitt** for Rider of the Week. Her favorite book series is *Dork Diaries*. Her role model is her parents because "I know they try to help me as much as they can and are always nice to me." She wants to be a band director because "I love band since I first joined and I would like to help others with band." For fun she likes to watch TV, play with siblings, play on phone and read books. Alexis was chosen by Mrs. Amos because her excitement for learning stands out among her peers. She is a joy to have in class.
