

# Riders of the Week

October 10 – October 14, 2016

*Eric Mendoza*

Anthony Marshall chose **Eric Mendoza** for Rider of the Week. His favorite book is *Travel Team* by Mike Lupica and his favorite movie *Lone Survivor*. His role model is his Dad because he's always there when he needs him and wants the best for him. For fun he likes to play soccer, football and spend time in the pool. Anthony Marshall chose Eric because he is always willing to help others and has a great mature attitude. Eric helps to create a good learning environment in the classroom and it is a pleasure to have him as a student.

Anthony Marshall also chose **Alexandria Patton** for Rider of the Week her favorite movie is *Love & Basketball*, Her mom is her role model because after all they've been through, she trusted in God and stayed strong, and Alexandria loves her for that. She wants to be a cosmetologist because it is a passion she has had since she was a little girl. She likes to spend time with family and friends for fun, and sleep in her spare time. Anthony Marshall chose her because she is willing to help others and has a mature attitude. Alex is a wonderful student, and having her in class improves the learning environment.
