

Riders of the Week

October 24 – October 28

Damian Martinez has been chosen for Rider of the Week by Ms. Chisenhall.

When Damien grows up, he wants to become a paleontologist because he wants to discover prehistoric bones and animals. His role model is his grandpa because he takes good care of Damian and is always there for him, no matter what! For fun, Damian loves to play football with his cousins when he gets home from school. Damian's teacher says, "He sets an example of what it really means to 'treat others as you want to be treated, do more than you have to do, and try to become a better person.'" Damian works hard to overcome challenges

and does so with grace and a positive attitude!"

Ms. Mathews has chosen **Mareli Gonzalez** for Rider of the Week. When she grows up, she wants to be a veterinarian because she will get to take care of sick animals. Her role model is her mother because Mareli saw her save a dog one time, and she takes good care of Mareli. For fun, Mareli enjoys riding her bike in her yard when she gets home. Mareli's teacher says, "Mareli is a joy to have in class and she always does her absolute best effort in all she does. Mareli has a smile that can make anyone feel good, and she is a good friend to her classmates!"
