October 24 – October 28

**Makenna Gipson** has been chosen for Rider of the Week. Her favorite movie is Polar Express. Her sister is her role model because she works hard for everything she gets and Makenna strives hard to be like her. She likes to play sports, sing, dance, and cheer. Karen Belrose chose Makenna because she is a role model for all students. Makenna puts her all into everything she does. She is respectful, considerate and always willing to do anything she can to help her peers. Makenna brightens up any room she walks into.

**Demarshea Patton** was chosen by Karen Belrose as Rider of the Week. He likes *Goosebumps* books, and *Abominable Snowman* is his favorite. His mom is his role model because she likes helping people. He likes to play basketball and his PS4. He is an all around awesome student, and a student all teachers dream of having in class. His teacher says Demarshea is respectful and courteous to his peers and teachers. He is always willing to help his peers and he is responsible to do his work to the best of his ability and have it completed on time.
