

# Riders of the Week

October 31 – November 4

Bailey

Ms. Radney has chosen **Bailey Miller** for Rider of the Week. Bailey wants to be a dentist when she grows up so she can clean teeth. Her role models are her family members because they take the time to teach her a lot of things and they also spend time playing with her. For fun, Bailey enjoys going to Splash Kingdom Water Park when it is warm outside. Bailey's teacher says, "She is the first to try and be there for a new friend and wants everyone around her to be happy. She is a very kind and sweet natured

student towards others and always goes about and beyond in everything she does."

**Wade Sanders** has been chosen for Rider of the Week by Mrs. Sullivan. Wade wants to be a super hero when he grows up because he loves to save people. His role model is his teacher, Mrs. Sullivan, because he says she is so nice and she loves to help students. For fun, Wade loves to play "Spider Man" with his friends at CES. Wade's teacher says, "One could not ask for a more pleasant student in the classroom. Wade is always listening and participating in the classroom. He is always very helpful and is a good friend to all his classmates."
