### **CIS – Breanna Westerfield**

**College attended:** SFA

**Years in education:** This is my 3rd year in education.

**Who is your greatest supporter/inspiration?**

My grandma, Dorothy, because she always gives me the support I need and pushes me to do my best, no matter what. Also my very close work friends who support me daily.

**Why did you choose to become an educator?**

As a student I had a passion for dance and knew one day I wanted to be able to teach dance. My dance teacher I had inspired in me a passion to learn not only in dance but in academics as well. Although I am not currently a dance instructor, I still want to instill in students the same passion for learning that I had.

**What makes a good teacher?**

A good educator is someone who is always willing to be a learner, no matter how long they've been in the teaching field. There are always ways we can improve.

**A career in education means constant growth. What is one area in which you wish to improve?**

I want to improve on implementing technology in my classroom.

**What do you love about CISD?**

The close knit community that is involved with our students.
