My greatest supporter is GOD without a doubt, just by letting me wake up every morning is a reminder that I have been giving another opportunity to be a better person, my husband and kids they are always there for me and love me unconditionally. I find inspiration in the little things, like listening to a song on the radio, getting hugs in the morning or seeing the smiles of the kids make my day.

Furthering my education

What do you love about CISD?

I love the fact that we are like one huge puzzle, everybody is made different and has a place, when we all come together we form a beautiful work of art that enlightens the life a child!

From around campus:

Vanessa greets everyone with a smile and a positive attitude no matter what duties she has. She is our front office secretary. She also works in the nurse's station and provides translation services for ARD meetings along with RTI meetings. She often offers to adjust her daily schedule to help out where she is needed. The school is very fortunate to have someone with a great attitude and heart like Vanessa.

Vanessa and the other ladies in the office help our school run smoothly. She is always so helpful and kind to everyone. She is a great lady that wears many hats- translating, filling in for the nurse, etc... I am thankful our campus has her. Vanessa would be an awesome choice for employee of the month.
