

# Riders of the Week

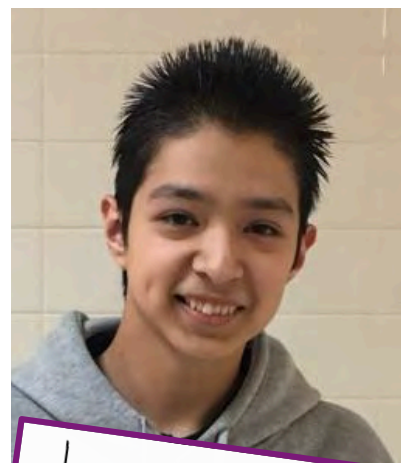

December 12– December 16

Jazmin Guevara

Coach Hamilton has chosen **Jazmin Guevara** for Rider of the Week. Her favorite movie is *War Room*; her favorite book is *Forget Me Not*. She has no specific role model, as she looks up to anyone who loves his or her job and who isn't in it for the money. Jazmin wants to be a surgeon when she grows up, because she wants to help people live the wonderful life they have. She likes to spend time with her family and friends, read, practice trumpet, and bake. Coach Hamilton chose Jazmin because "she is full of energy and has a great personality! She works hard on the field and always makes people smile!"

Mrs. Jessica Shadix also nominated **Jimmy Musico** for Rider of the Week. His favorite movie is *My Family*. Cesar Chavez is Jimmy's role model, because he is a great leader, civil rights activist, and a very hard-working man. He wants to be a therapist when he grows up, because he loves to help people when they are in need, especially during a crisis. For fun Jimmy likes to hang out and laugh with his friends at school, spend time with his family, and listen to his music. Mrs. Shadix chose Jimmy because he is "a hard-working, kind-hearted student. He strives to be positive in all situations and assists other students when they are in need. Jimmy is a quiet guy, but opens up when you get to know him! It is a pleasure to have him in class!"
