

5th Grade Student of the Month for January: Ke'Maria Wilson

She wrote the following about herself:

Hi, my name is Ke'Maria Wilson and I am in the 5th grade. I am eleven years old. I competed on the UIL Spelling team and I play softball and basketball for my school. I am a member of Joaquin Elementary Student Council and serve as treasurer. I count the money. When I grow up I want to be a veterinarian. My brother's name is Amarion and my sister's name is Mariya. Every day I play with my sister and brother outside. We play kickball, softball, and basketball. I love to play with my sister and brother. Also, my tip to other students is "keep calm and never give up". I am very thankful that the teachers picked me to be student of the month.
