

# Riders of the Week

January 23 - January 27

**Jakalen Barnes** has been chosen for Rider of the Week by Miss Hill. For fun he loves to play basketball on his PS3 when he gets home. His role model is his dad because he helps him do chores around the house and he works hard for the family. When he grows up JaKalen really wants to be a zookeeper because he loves animals. His teacher Miss Hill says, "he lights up the room with a smile and never seems to have a bad day." He is always willing to help others and show his peers every day how important it is to follow school and classroom rules. Those who follow his examples cant go wrong!

**Kaydence Hines** has been chosen for Rider of the Week by Mrs. Jureka. For fun she likes to play tag with her friends. Her role model is her mom because she is always there for her. When she grows up Kaydence wants to be a teacher because she thinks they have fun. Kaydence's teacher said, "she is the perfect example of R3. She is respectful to all and responsible in everything she does". Kaydence is always helpful and kind to other students and adults. She is a hard working young lady that sets the example for others to follow.
