Her role model is her mom because she is nice to Gracie and loves her. She always helps Gracie when she needs it. She is very helpful to Gracie's family and Gracie wants to be like her! When she grows up, Gracie would like to be a pediatrician because she loves children and because they are nice and kind to anybody that walks through the door. Last, they earn a lot of money and Gracie wants to earn a lot of money too! Mrs. Moody said, "Gracie is a student who excels in everything she attempts. And willing to take part in all classroom activities, she has an outgoing personality and shows satisfactory progress and all her work. She's a good citizen and leader."
