

Riders of the Week

January 30 – February 3

Kelsey Adair

Kelsey Adair has been chosen for Rider of the Week by Mrs. Widdon. Her favorite movie is *The Lion King* and for fun she loves cheerleading and being on the competitive cheer team. When she grows up Kelsey wants to be a vet because she loves animals. She loves learning about them and she has always wanted to help them. Her role model is her sister, Robyn, because she is such a great person. She has always been there for her! Mrs. Whiddon says, “Kelsey pushes herself to succeed in all areas of school life: academics, athletics, and extracurricular activities. I admire her positive attitude and her ability to laugh at herself.”

Arturo Ivan Hernandez has been chosen for Rider of the Week by Sydney Brookshire. His favorite movie is *Hacksaw Ridge* and for fun he likes to secure his future by making good grades. His parents are his role models because they helped shape him into the person that he is today. When he grows up, Arturo wants to be a businessman so that he can start his own business or work for a big company. Mrs. Brookshire says, “Ivan is such a blessing to have at CHS. He is always smiling, and often stops by for a hug and to ask about my day. He is kind to everyone and I never hear him make jokes at the expense of others, which is such a wonderful trait in a young man.”
