

# Riders of the Week

February 6 – February 10

**Bodrick Hubbard** has been chosen for Rider of the Week by Ms. Penner. His role model is his Dad because he works really hard but finds the time to spend with Bodrick. Bodrick really wants to grow up to be a Veterinarian so that he can help animals not get sick. He loves to play baseball with his cousins when he gets home. Bodrick's teacher says, "Bodrick is a fine example of a Rider of the Week because he tries his hardest on everything, is kind and respectful to others and is a very responsible young man. Bodrick has a desire to learn and the quality makes him a joy to teach. He is the type of friend to others that can always be counted on to make good choices."

**Jazmin Bennett** has been chosen for Rider of the Week by Ms. Chisenhall. Her mom is her role model because she always helps others and always goes out of her way to set that example for Jazmin. Jazmin really wants to grow up to be a Nurse so she can help other people. She loves to jump with her sister and cousin on her trampoline when she gets home. Mrs. Chisenhall says, "Jazmin is the kind of student that almost goes unnoticed as she quietly goes about her business, careful to do everything that is asked of her. Jazmin has a kind spirit that follows directions the first time given and does not have a complaining bone in her body. Jazmin speaks softly and kindly to everyone she comes in contact with. Her quality of character does not go unnoticed!"
