

# Riders of the Week

February 6 – February 10

Itzel Diaz

**Itzel Diaz** has been chosen by Adam Ramirez for Rider of the Week. As of now, Itzel wants to study criminal justice and hopefully become a crime scene investigator. She says, “I find it very interesting to work as a CSI because you are involved in many mysteries.” Her role model is her father, Israel because he works very hard to provide everything that Itzel and her brother need. Itzel loves watching horror movies and her favorite book is, *Heart of Evil* by Heather Graham. For fun, she loves to hang out with her friends, Oscar Vazquez and Selena Jaimes. She loves to play the baritone and she enjoys taking time to practice her music in order to become a better player. Mr. Ramirez chose Itzel because of her “hard-work and dedication in class. She is always giving 100% of effort with a smile on her face. I believe she will do the same with her future career.”

**Alberto Huichapa** has been chosen for Rider of the Week by Coach Adair. Alberto wants to serve in the Navy as a mass communication specialist because he loves to cover stories and take pictures. He says the thought of travelling while serving his country sounds overwhelming. For fun, Alberto likes to play soccer and video games with his little brother. He also likes to listen to music and spend time on social media. (He suggests following him on snapchat: @betio99) Coach Adair says, “Alberto is a great student. He is the kind of student/athlete that represents CHS in such a positive manner. Alberto is always positive and upbeat and I enjoy having him in class.”
