## Employee of the Month

### CIS – Julia Morales

**Years in Education:** 9 wonderful years

**Who is your greatest supporter/inspiration?** My faith and family are my greatest inspirations. My children inspire me daily to be a good role model built on a foundation of faith.

**Why did you choose to work in an educational setting?** My children are enrolled in Center ISD and it is important for me to stay active in their education. I am proud to work for CISD because of our friendly and dedicated staff.

**What makes a good teacher (or employee)?** A good employee goes beyond expectations, is responsible and helpful.

**A career (in education or otherwise) means constant growth. What is one area in which you wish to improve?** Because our students are our future leaders, I want to learn new ways to help guide them to be responsible, fair and kind to others. *"Be the BEST they can be!"*

**What do you love about CISD?** CISD is a fantastic district to work for. I love watching the students throughout the years develop and become successful in their endeavors. The students are truly the heart of CISD. Being nominated two years in a row has really been an honor. I want to thank everyone, especially our paraprofessionals for always being willing to help me, and for putting up with my crazy ideas! They truly make our campus successful.

#### **From Around Campus:**

Julia goes above and beyond expectations on anything she does for CIS. If any of us has a question, you can bet Julia has the answer!

She works harder than anyone, is there early and stays late, and always has a smile and a kind word for everyone

I chose Mrs. Morales because she makes sure that everyone is taken care of. She goes above and beyond for everyone, even when she's super busy with her own work.

She has been a big Inspiration and help to all of the new faces on the CIS campus. She has made us feel welcome and a part of the CIS family. She never seems to get frustrated when posed with any type of question or request. She has a beautiful personality and smile. She has been a joy to work with.
