

Riders of the Week

March 6 – March 10

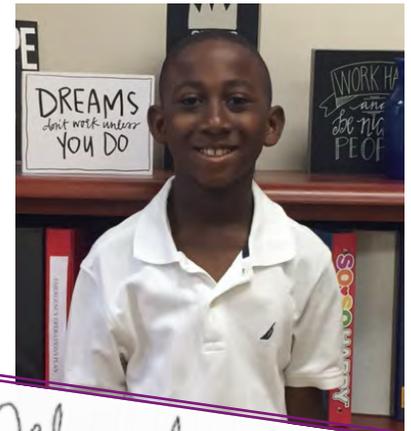

Sydney Schriever

Debra Hippler has chosen **Sydney Schriever** for Rider of the Week. Sydney's favorite movie is *My Neighbor Totoro* because she says it is emotional and amazing! Her favorite book is *A Thousand Paper Cranes* because it is based on "a really good event that happened in Japan." Sydney's role model is Meiyu, a YouTuber, because she is very good at art, and Sydney wants to be as talented as her one day. At this point in her life, Sydney is still deciding what she wants to become as an adult. She is currently considering a career as an artist or a designer because she loves to draw and sew. In her spare time, she enjoys watching YouTube and drawing. She says she often watches episodes of *The Amazing World of Gumball* on YouTube. Ms. Hippler

says, "Sydney is quiet and sweet. She is not at all pushy, but she quietly does her work and she is super smart! Sydney has a wonderful sense of humor and she is confident enough to walk her own path, to do what she knows is right. I really appreciate her strength of character."

DeBraylon Moore has also been chosen for Rider of the Week by Ms. Hippler. His favorite movie is *Spiderman 2* because it has a lot of action, and Spiderman is his favorite character. His role model is Michael Jordan because DeBraylon says, "he was very nice and I think he is the best at basketball." When he grows up, DeBraylon wants to play in the NBA because it is his second favorite sport and because he has dreamed of becoming a professional basketball player. In his spare time, DeBraylon loves to play basketball and baseball, which is his first-favorite. (He has been playing baseball for six years!) Ms. Hippler says, "DeBraylon is such a gentleman. He is kind and curious and is quick to give a smile. DeBraylon is a good listener, a hard worker, and he is always willing to help a fellow student. He is fun to be around."
