

Riders of the Week

March 20 – March 24

Ms. Jurecka has chosen **Alexis Bustos** for Rider of the Week. His role model is his mother because she takes time to listen to him read, and she makes him tasty dishes every night! Alexis wants to be a professional soccer player when he grows up because he loves to play soccer. Until then, Alexis will continue spending his time doing what he loves, playing hide-n-go-seek with his sister when he gets home. Alexis's teacher says, "Alexis is always kind to others and is always respectful and polite. Sharing with others is something he does naturally. He has a caring heart and stays positive regardless of what life throws at him. He is a hard working student that never gives up and is a role model for other children."

Ms. Bennett has chosen **Liz Lopez** for Rider of the Week. Her mother is her role model because she reads to her "all night" and sings to her before she goes to bed. When Liz grows up, she plans on becoming a veterinarian because she really wants to work with her sister, and she loves pets. For fun, Liz loves to play cards with her sister when she gets home from school. Liz's teacher says, "Liz is always so incredibly kind to everyone that she comes in contact with. She is willing and able to lend a hand whenever someone is in need. Liz is the type of student that always comes to school with a smile on her face that lights up any room on campus."
