

# Riders of the Week

April 10 – April 13

**Aung Thein** has been chosen for Rider of the Week by Jessica Shadix. His favorite movie is *King Kong: Skull Island*. His mother is his role model because she has taken such good care of him. He says she has supported him both emotionally and financially, and she always makes sure he keeps his grades up. When Aung finishes school, he wants to become a professional footballer (soccer) with the goal of playing for a club in Europe. Aung says, “for fun, I enjoy spending quality time with my family and friends. I also love to sing and I stay active by participating in a Sunday league soccer team.” His teacher, Mrs. Shadix, says, “Aung is extremely hardworking in class. He gives 100% with his classwork and is a helping hand when other students need him!”

**Jaylee Sims** has also been chosen for Rider of the Week. Her favorite book is *The Bible*, and she enjoys spending time with her family on the lake. Her mother is her role model because she is positive about everything and gives the best advice. When Jaylee graduates she plans on pursuing a career as a registered nurse because she loves taking care of people. Ms. Shadix says, “I chose Jaylee because of her passion and dedication to succeed. She goes all out in class as well as the FFA activities she is involved in.”

## Center High School

**R<sup>3</sup> = Roughriders are Respectful and Responsible**
