

# Riders of the Week

April 10 – April 13

Chase Adkison

**Chase Adkison** has been chosen for Rider of the Week by Mrs. Herndon. His favorite movies are *Grown-Ups* 1 and 2. His role model is J.J. Watt because he plays the same position as Chase on the football team, and he motivates him to get better at all the things he does. For fun, Chase loves to play baseball and football with friends. Mrs. Herndon chose Chase because he is one of those kids you can't help but like. He is fun to be around and loves talking about baseball. "Chase is mild-mannered, hard-working and always respectful, which is why I chose him as Rider of the Week."

**Andie Miller** has also been chosen for Rider of the Week. Her favorite movie is *Seventh Son*, and she loves to read the book *Children of Eden*. Her role model is Justin Stuart because he is always finding ways to make someone smile and he helps a lot of people in need. Andie loves to read, play with her little brothers, and play video games. Sommer Herndon chose Andie because she is such a joy to have in class. "She is always eager to learn and strives to do her very best. Although Andie is quiet, she is an exceptional role model. She is always respectful and her smile is contagious."
