

# Riders of the Week

April 24 – April 28

EhLer

Kathy Johnson has chosen **Eh Ler Soe** for Rider of the Week. He loves the *Pirates of the Caribbean* because they are fun to watch and he loves all the characters – especially Captain Jack Sparrow. His mother is his role model because she is kind, funny, and helps him be successful in school. When Eh Ler grows up, he wants to be a doctor so he can help people when they are ill or hurt. For fun, he loves to watch movies, play volleyball, and ride his bike. His teacher says, “Eh Ler is always very nice to others. He brings happiness to class every day. He is a joy to work with and he always tries his best.”

Kathy Johnson has also chosen **Kaylan Parker** for Rider of the Week. Her favorite movie is *Mulan*, and she loves Taylor Swift so much she has become her role model! When Kaylan grows up, she wants a career with three components: clothing design, hair styling, and nail art. For fun, Kaylan loves to practice gymnastics, and she loves performing backflips. Her teacher says, “Kaylan is always a very sweet girl and she brightens my day with her “perky” personality. She is a hard worker and likes for everyone to be happy. She enjoys laughing! A LOT!”
