

Riders of the Week

May 1 – May 5

Ms. Amber Phelps has chosen **Kyndra Miller** for Rider of the Week. Her favorite movie is *Frozen* and she loves to play outside and go to Walmart. Her role model is her mother because she is pretty and takes care of Kyndra and her siblings. When she grows up, she wants to be a baker because she loves to cook with her momma! Her teacher says, “Kyndra is a great student. She has worked very hard all year long. Kyndra helps others and is a friend to everyone. She is a great example for our school and to others.”

Ms. Susana Grande has chosen **Naomy Munoz** for Rider of the Week. Her favorite movie is *Frozen* because she loves Elsa, Olaf, and the music. Naomy loves to spend her time playing with her sisters at the park. Her parents are her role models because they take care of Naomy and they love her and make her feel special. Naomy wants to become a doctor when she grows up so she can help people when they are sick or hurt. Her teacher says, “Naomy is an example of what a Roughrider must be: Respectful and Responsible. She’s not just doing her best always as a student, but she is friendly and her positive attitude is contagious.”
