April 2 – April 6

CHS

JACOB LIKER

"Jacob is an excellent student both scholastically and morally. He performs in the upper echelon in Biology – grasping all concepts and demonstrates his mastery. There is always a smile, he will help his fellow students, and is a very fine, upstanding youth with respect for moral character."

- Virgil Lamkin, Biology

ALYSSA WHITE

"The way she intelligently, and with common sense, carries herself, makes it an honor to be her instructor. Her dry wit makes everyone smile or stop and think. Her grasp of the Spanish language of course has my heart."

- Mary Grisby, Spanish

CMS

HEYLIN RODRIGUEZ

"Heylin Rodriguez is a new student in 7th grade at CMS, but she is doing awesome in all classes. She is very nice and always completes her work for class on time. She has made many friends in the one week that she has been at CMS. She is helpful to others and even translates for students in our ESL class, which is a great help to me."

- Amy Chachere, ESL Teacher

RAY GILLY

"I chose Ray Gilly because he is always happy and smiling when he comes to our class each day. He has been on the A/B honor-roll all year and is learning to communicate in English more each day. Ray's hobbies include hanging out with his friends, drawing, and of course- playing video games. When I asked him about his favorite classes at school, he said, "I like Art, PE and ESL."

- Amy Chachere, ESL Teacher

CIS

ARTURO DIAZ

"Arturo is a great student. He is a hard worker and always tries his best. He is respectful and a joy to teach."

- Janelle Gibson, Social Studies

RHIANNON WINDHAM

"I chose Rhiannon for Rider of the Week because she has a sweet personality and a contagious laugh. She is a hard worker and a joy to have in class."

- Janelle Gibson, Social Studies
