March 17, 2020

Parent/Guardian of a Joaquin Elementary Student:

Student instructional packets are available to be picked up at the elementary Thursday morning 7:30 - 11:30 and Friday morning 7:30 – 11:30. The packets will contain at least four weeks of instructional materials. We will inform you later as to how to return the packets. If more weeks of materials are needed after the initial four weeks of planned materials, you will be given instructions on how to get those. If all materials that are provided are not needed, then students will return those to school when/if we reconvene. These materials will provide grades for these assignments. At this point, we will follow protocol for touching and handling any materials that are exchanged.

The lessons/materials that teachers put together are TEKS-based curriculum. Most subjects were already to the review point in the year, where all new TEKS were already taught. If your child/you need assistance with the materials or instructions, please contact the teacher who assigned the work. Teachers can best be reached through their school email address or the app they shared with parents.

The cafeteria will be providing breakfast from 8:00 – 9:00 daily, and lunch from 11:00 – 12:00 daily. If you wish to pick up these meals, you will drive through the bus lane and the meals will be passed through your car window.

If you can't get to the school to pick up your child's packet at these set times, call 269-3128 ext. 337 or 241 to discuss how to pick up the packet. We will work to ensure that all students get their instructional packets.

**When picking up packets, you will need to stay in your car and drive up to the front door. An employee will ask grade/teacher and student's name. The employee will pass the packet into your car window. Please DO NOT get out of your car for any reason. Stay in line and the process will work quickly.**

Sincerely,

Sherry Scruggs  
Joaquin Elementary Principal  
JISD Curriculum Director
