Dear Parents & Guardians,

The reality of this virus has affected us all dramatically this week. However, we will not let this virus defeat us. Your children's teachers have been planning for days on how to move them forward toward their educational goals even while they are at home. Our teachers are determined to provide your children with the best education possible considering these circumstances. All **high school students** have moved to an online platform with the same class schedule (Plato/ICEV/Google Classroom). You will receive an email from your classroom teachers on Thursday March 19th with instructions on how to complete your work. If you are a high school student and do not have a working chrome book or you do not have internet at your home, please contact the High School office at **936-269-3128** for further instructions. All **junior high students** will be working on packets. These packets can be picked up between 9 A.M. and 11A.M. on Thursday, March 19th and Friday March 20th. We do not have a time frame on how long we may be closed; however, most of our decisions are being guided by our local and state government's recommendations. We are hoping to return to school as soon as possible. However, we are planning to take steps to ensure that we can educate our students while at home for however long it may be deemed necessary. Additionally, the cafeteria will be providing a sack breakfast and lunch Monday-Friday. in the bus lane to all of our students.

Sincerely,

JOAQUIN HS/JH ADMINISTRATIVE TEAM

Joaquin Jr. High & High School
