

4/20/2020

The TIMPSON AREA CHAMBER OF COMMERCE has established a small business supplemental fund to help our local economy by supporting our business members.

The Timpson Area Chamber of Commerce is accepting applications for **Help Small Businesses, Timpson Texas**. The Timpson Chamber of Commerce has recognized the economic destruction threatening the survival of our small businesses and basically our town because of Covid-19. TACC has set aside \$10,000 and will take applications from area small businesses to fund approved applications for \$500 and \$250 until the funding is depleted. These funds will be for local businesses to address their immediate needs, avoid closures and retain employees and support for recovery. These funds are not for new start-ups. This in no way will affect our Timpson High school scholarships.

Timpson Area Chamber of Commerce has been supported by our local businesses that have helped in many ways throughout the years: Frontier Days sponsorships, scholarships and many fund raisers to help the community. Our small businesses also helped fund local park projects. This is a way for The Chamber of Commerce to give back to our businesses and to hopefully help them during this crisis. Small businesses are the foundation of our community and our economy, employing our citizens, keeping our neighborhood running and making our town feel like home. We wish to thank every business in our area and only wish the best for each business we have.

If you are a small business and have belonged to the Timpson Area Chamber of Commerce in years past please fill out the following questions **to be considered** for this funding. Deadline to turn in is May 11, 2020 with funding to occur soon afterwards.
