***FREE Covid-19 anti-body testing for all successful donations.**

***This test is authorized by the FDA only for detecting the presence of antibodies against SARS-Co V-2, and is not intended for diagnosis of COVID-19**

This is such a big deal and an amazing service as it allows for our donors to get the benefits to know whether or not they have been exposed to the Virus or have maybe built an immunity for it...plus they will **receive a free beach towel.**
