

Riders of the Week

January 25 – January 29

Mrs. Corbell and Mrs. Crouch have chosen **Kylie Hubbard** for Rider of the Week. Kylie loves to watch movies with her brother when she gets home. Her favorite film is *Monster High* because it is full of “amazing monsters with amazing talents!” Her role model is Mrs. Corbell because she is nice to Kylie and she teaches her math. When Kylie grows up, she wants to become an artist so that she can draw and paint beautiful things. Kylie’s teachers say Kylie, “takes pride in her work and wants to do her very best on everything she does. Kylie is kind to her classmates and is willing to help if someone is in need! She is a fantastic helper for her teachers and can be counted on to handle just about anything.

These are a few of the reasons why Kylie is a super star at CES!”

Ms. Cherry has chosen **Trae Bailey** for Rider of the Week. Trae loves to ride bikes, play tag with his brother and sister, and watch his favorite movie, *Ninja Turtles*, because it has a lot of action! Trae wants to grow up to become an FBI agent because he wants to help protect the good guys. His father is his role model because he takes the time to teach Trae things and they spend time building things together. Ms. Cherry says Trae, “is a wonderful student that is always kind and respectful to others. Trae is a good friend to all his classmates and is willing to help anyone. He is eager to learn every day and always gives his absolute best. His creativity, curiosity and ability to think are awesome characteristics that help to make Trae a superstar at CES!”
