

Riders of the Week

February 29 – March 1

Mrs. Sullivan has chosen **Belen Mondragon** for Rider of the Week. Her favorite book is *SpongeBob* because she loves how it makes her laugh. Her role model is her grandpa because he takes her anywhere she wants to go and brings her things to eat. When Belen grows up, she plans on being a teacher because they get to use books and they get to go to the library. For fun, Belen likes to ride her bike inside her house. Belen's teacher, Mrs. Sullivan, says, "From the first moment I met Belen, I knew she would be a positive and whatever it takes kind of student. Belen greets classmates with a smile and is excited about school. She has a love for learning and loves to share that passion with other students. One of the friendliest students in our school, she makes it a point to always include others. These are just a few reasons that make Belen a super star at CES!"

Mrs. Chisenhall and Mrs. Wheeler have chosen **JaKevin Robinson** for Rider of the Week. JaKevin's favorite book is *I survive* because it is full of interesting things. His role model is his cousin because he spends time with him and takes the time to teach him new things. When JaKevin grows up, he plans on becoming a professional basketball player so that he can pass, shoot and dunk the basketball. For fun, JaKevin likes to play football, basketball and baseball. His teachers say that JaKevin, "is a sweet, caring and considerate young man and has been such a huge blessing to have in class. He takes initiative and goes above and beyond to help teachers and classmates. JaKevin has a fun personality and is always able to make everyone laugh and smile. These are just a few reasons why JaKevin is a super star at CES!"
