Carson

Carson Crawford has been chosen for Rider of the Week by Mrs. Corbell and Mrs. Crouch. His favorite movie is *Lassie* because it is funny to see

Lassie running around in his trailer house. His father is his role model because he helps teach him how to play baseball and he works hard to make sure Carson has plenty to eat. Carson wants to be a Major League Baseball player when he grows up so he can help lead his team to victory. For fun, Carson loves to play football with his brothers when he gets home. Carson's teachers say, "Carson is a great student and is always happy and positive! Carson always makes others feel good with his smile. He has a great personality and it is contagious. If you are around him for very long, you will be smiling too! These are just a few of the reasons why Carson is a super

star at CES!

Destiny Arcibar has been chosen for Rider of the Week by Ms. Knebel. Destiny's favorite movie is *The Minions Movie* because it really makes her laugh, and she loves to play in the water at the new water park in Nacogdoches. When she grows up, she wants to be a doctor because she wants to help heal people. Her father is her role model because he takes the time to help her with her homework and he works to take care of his family. Ms. Knebel says, "Destiny is an amazing student that has a grateful and sweet heart. Destiny is always trying to help others and consistently tries to do the right thing. She always goes above and beyond when it comes to her class work. Destiny constantly has a smile on her face and can light up any room by just being there.
