

Riders of the Week

April 25 - April 29

Kritika

Mrs. Hooper has chosen **Arturo Diaz** for Rider of the Week. His favorite movie is *Power Rangers* because he loves the action, and he loves to paint when he gets home from school. His role model is his mother because when something happens to him, his mother is always there! When Arturo grows up, he wants to be a police officer because he wants to help others. Arturo's teacher says, "Arturo is such a blessing to have in class. I always look forward to seeing his smile everyday. Arturo is a hard worker and always giving his best on everything. He is always a good friend to others and wants to help when he can. These are a few of the reasons why Arturo is a super star at CES!"

Mrs. Chisenhall and Mrs. Wheeler have named **Kritika Patel** for Rider of the Week. Her favorite movie is *Zootopia* because she really likes the characters and how they act so funny! Her mother is her role model because she takes the time to teach Kritika how to craft, which Kritika loves to do when she gets home. Her mother also calls Kritika lots of different sweet names. When Kritika grows up, she wants to become a dancer because dancers get to move a lot! Kritika's teachers say, "She is a huge blessing to get to know and we both look forward to watching her do amazing things now and in the future. Kritika is one of the hardest working students we have at CES. It is guaranteed that if you give her a task, it will be completed and at a very high standard. On top of these positive qualities, Kritika has a kind heart and is always considerate of others. These are just a few reasons that make Kritika a super star at CES!"
