

# Riders of the Week

May 2 – May 6

Ms. Hroncich has chosen **Michelle Guevara** for Rider of the Week. Her favorite movie is *Goosebumps* because it scares her and her dad. Her role model is her grandma because she takes care of the family, and she is a friend to everyone. When Michelle grows up, she would love to become an artist and paint beautiful paintings. For fun, she enjoys drawing pictures when she gets home from school. Ms. Hroncich says, “Michelle’s great attitude and perseverance are a blessing to be around every day! She is a diligent and dedicated worker who goes about and beyond expectations and puts her all into everything she does. Michelle is a great example of what it means to be a CES roughrider. These are just a few reasons that make Michelle a super star at CES!”

Mrs. Wheeler and Mrs. Chisenhall have chosen **Solomon Vablerona** for Rider of the Week. His favorite movie is *Goosebumps* because it is supposed to be scary, but he finds it to be funny! His role model is his dad because he has a great personality and they have a lot of things in common. When Solomon grows up, he wants to be a soldier so that he can protect his friends and family. For fun, he enjoys watching videos and makes up games from the videos he watches. Solomon’s teachers say, “he is always respectful to others around him, and he puts a smile on everyone’s face! He is so much fun to be around and brings life to his classrooms. Solomon is always willing and ready to learn, and his enthusiasm for learning spreads throughout his classrooms. These are a few reasons why Solomon is a super star at CES!”
