

Riders of the Week

May 9 – May 13

Triniti

Leslie

Mrs. Crouch has chosen **Triniti Bell** for Rider of the Week. Her favorite movie is *Frozen* because she likes the way Elsa opens up to Ana and tells her why she is hiding. Her role model is Mrs. Crouch because she loves her students and when they do something wrong, she says, “Don’t worry, it’s fine, you can just start over!” Triniti really wants to grow up to be a singer because she will be able to express her emotions with a song. For fun, Triniti loves to play with Legos when she gets home from school. Mrs. Crouch says, “Triniti is a great partner in class and could run the room if I needed her to. She does more than she has to every day. We have always only hear positive, uplifting words come from her. These are a few of the reasons why Triniti is a super star at CES!”

Mrs. Chisenhall and Mrs. Wheeler have chosen **Leslie Posados** for Rider of the Week. Her favorite book is *Junie B. Jones* because she loves how funny they are. Her role model is her mom because she takes care of her, she loves her, and she cooks tasty meals. When Leslie grows up, she wants to be a teacher because she really wants to help children learn. For fun, she enjoys playing hide and seek with her brothers and sisters. Leslie’s teachers say, “Leslie is a great example to her classmates and can always be counted on to be honest and helpful. Leslie works hard and consistently listens and follows directions. She is a great role model to others and is a joy to have at CES. These are just a few reasons that make Leslie a super star at CES!”
