

Riders of the Week

December 14 – December 18, 2015

Carolynne

Carson

Mrs. Corbell has chosen **Carson Bush** for Rider of the Week. Carson's favorite movie is *The Flash* because he can run really fast and no one can catch him. His role model is his dad because he lets him be a part of watching the Cowboys on the weekends and he is nice to everyone. When Carson grows up, he plans to become a professional baseball player because he likes to win in sports. Until then, he will continue with his favorite pastime, playing baseball when he gets home from school. Carson's teacher describes him as "an awesome student that walks in each day with a smile on his face, ready to work. Carson gives 110% in everything he does and carries the characteristics of being responsible and respectful at all times!"

Ms. Cherry has chosen **Carolynne Diaz** for Rider of the Week. Carolyn's favorite movie is *Frozen* because Elsa has magic powers and she would like to be like her. Carolyn's role model is her teacher because she takes the time to teach her and she does a lot of fun things with kids. Carolyn hopes to be a teacher just like her when she grows up. She wants to show children how to do things. She loves being around kids! For fun, Carolyn enjoys playing tag with her friends at recess. Ms. Cherry describes her as having a "sweet, quiet nature that makes her an absolute joy to teach. Everything they do in the classroom, she can be depended on to set the example in a quick and quiet fashion. Carolyn loves to learn and always gives everything her best. She is always smiling and is always kind to students and adults alike. These are just a few reasons that Carolyn is a super star at CES!"
