

# Riders of the Week

February 22 – February 26

Hsi Paw

Mr. Ramirez has chosen **Hsi Paw** for Rider of the Week. For fun, she loves to play games with her family and friends and watch her favorite movie, *The Conjuring*. Her role models are her parents because she has learned a lot from them. When Hsi Paw grows up, she plans on becoming a nurse so she can take care of adults and children. Mr. Ramirez chose Hsi Paw because she is a joy to work with in class. Regardless of how hard a project is in class, she will find anyway to get the job done and delivered. She always comes into my class with a smile on and is prepared to work.”

**Marco Gutierrez** has also been chosen by Mr. Ramirez for Rider of the Week. Marco loves to play video games with his friends and watch his favorite movie, *Nacho Libre*. His role model is Mike Trout because he is the best at baseball and Marco plans to be like him. When Marco grows up, he plans on being a professional baseball player because he has so much love for the game. Mr. Ramirez chose Marco because “he has a great personality and is a very hard-working student. He is a very respected and responsible young man. Marco is always willing to go the extra mile for me with his projects.”
