

Riders of the Week

February 29 – March 1

Johan Gonzalez

Johan Gonzalez has been chosen for Rider of the Week by Joella Summerlot. Johan loves to hang out with his friends and make music. His favorite book is *The Giver*. Johan's father is his role model because Johan says he is one of the hardest working people he knows, and he never settles for second best. When Johan graduates, he says he wants to be able to make music for a living because music is his passion. Mrs. Summerlot chose Johan because, "he is a great example of Rider Pride. He challenges himself and others everyday and does it with grace and responsibility we ask of our kids. He is involved in so much and still takes his grades and achievements seriously. He is an all-around great student!"

Mrs. Summerlot has also chosen MeKayla Hubbard for Rider of the Week. MeKayla loves to hang out with her friends, chill, and just have a great time! Her favorite book is *The Giver*. Her role model is her best friend Bailee because she always pushed MeKayla to do better. When MeKayla grows up, she plans on becoming a physical therapist or coach because she loves sports and wants to be involved with them throughout her lifetime. Mrs. Summerlot chose MeKayla because she "exhibits the Rider Spirit. She is involved with multiple activities on campus and always has a smile on her face. She has a great attitude towards her school and is always willing to lend a hand!"
