

Riders of the Week

November 30 – December 4, 2015

Daniella Garcia

Daniella Garcia has been chosen by Mrs. Fischer for Rider of the Week. Daniella's favorite movie is *The Longest Ride* because of the general message of the movie. Her role model is Mr. Elder because through the years, he has taught her that you can overcome anything no matter the situation. She says, "he's the best!" When Daniella grows up, she plans to be a sonographer because she likes making people smile and helping them. For fun, Daniella likes to go out with her friends and family to get ice cream. Mrs. Fischer says, "Daniella Garcia's most endearing and enduring quality is her

CONSISTENCY and she wears it like a jewel! She can be having a hectic week, a rotten day, or even feeling bad and she still is pleasant to me and the folks around her! She has a delightful smile that absolutely lights up the room when she

enters! My classes are better when she is in them because she brings out the best in her peers and in me as a professional educator! She found out I had been ill over the break and sent me get-well wishes on Twitter! Besides that she's busy, busy involved in so many aspects of Rider Life! Daniela was an easy choice as Rider of the Week because she is Respectful and Responsible every day!"

Mrs. Fischer also chose **Cody Sneed** for Rider of the Week. Cody loves to watch *Lonesome Dove* and go hunting. When he graduates, he plans on becoming a welder/pipe fitter on turn-arounds/shutdowns. Mrs. Fischer says, "Cody Sneed is as hardworking an individual as you'll ever meet. Since he was a youngster, he has set goals and worked hard to obtain them. In his steady-as-you-go way, he does whatever it takes to accomplish the goal he is working on today whether it is a new trap or a new truck! He is consistently polite and treats everyone around him with respect. If you haven't gotten beyond the boots & cap to the heart of gold beneath, you're missing out on one of CHS' finest!"
