Madison won 2nd place outright with a 1 hole play-off.

1st Place - Gracie Baker (Carthage)

2nd Place - Madison Agnew (Center)

3rd Place - Lily Raiborn (Rusk)

Only the top 2 Medalists advance to Regionals.

## Future Weather Men and Women

Kindergarten students are finishing up their Power Point over the weather. It consists of 11 slides. A title slide, 9 different kinds of weather and an ending slide. They choose their design and add transition. They must search and insert an appropriate picture re-sizing it to fit the slide. They have worked very hard and are very excited to watch their slide show. This is the first year we have been able to print their project. They have to put the book in the correct order and staple it together. I am very proud of each student.

## Vet Med

From Left to Right: Michel Robledo, Luis Sequera, and Zoie Ebernez

On April 13th, the Center FFA Vet Med team traveled to Tarleton State University in Stephenville, Texas to compete in the Pinewood's District and Area IX Veterinary Technician contest. The team placed 1st in District and 12th in the Area, with Luis Sequera leading the team and placing 10th high point individual in the whole AREA!!!!

To prepare for the contest the students have been able to identify 100 veterinary tools/instruments, 150 animal breeds and 40 organs/parasites. At the contest, in addition to the identification, the students take a knowledge exam and have a hands on practicum which can be anything from preparing a syringe, restraining an animal, preparing a patient chart or calculating medicine doses.

Congratulations to:

Michel Robledo

Luis Sequera (10th place!)

## Newest Chicks on the Block

Our Principles Classes (freshmen) worked for the past 21-23 days to hatch out their very own chicken eggs! Today, most of our chicks were 2-3 days old and ready to be "handled". So, we had chicken races! Out of 24 eggs, 19 hatched! That is a 79% hatching rate!! The kids LOVE them!!

We've just started our 2nd batch (48 eggs) and in 21 days hope to have a better success rate!

## Blinn or Bust!

LaMarcus Goodwin and Tyrone Roland signed a letter of intent to Blinn College to play football for the 2016-2017 school year.

## Pancakes for Breakfast

Alisha Murray's 2<sup>nd</sup> grade class has recently made their own book, "Pancakes for Breakfast." After they had completed this small picture book, they actually ate pancakes for breakfast. To celebrate their success the students went to first graders and to other second grade classes to read them their story.

## FFA

*(From Left to Right: Kobe Whisenant, Konner Windham, Nate Morris, Andres Leon, Lanie Truitt, Kaden LaRock, Dalton Alexander, and Zack Fausett)*

Yesterday the Center FFA Forestry team competed against 55 other FFA Chapters from across Texas at the Texas State Woodland/Forestry Clinic. From these 55 teams 203 FFA members set out to be the best at what they do!

Center FFA Team Members Andres Leon, Konner Windham, Dalton Alexander, and Nate Morris placed 10th out of the 55 teams and individual results are as follows:

Out of 203 students:

Andres Leon- 18th

Konner Windham- 26th

Dalton Alexander- 38th

Nate Morris- 93rd

To be TOP 10 in the state out of OVER 1,500 FFA CHAPTERS is a great accomplishment! FFA Contests aren't broken down into 1A, 2A, 3A, 4A, and 5A contests. We go in and everyone competes against each other no matter the size of the school! This makes FFA unique and REALLY challenging at times!

Center FFA Team #2: Lanie Truitt, Zack Fausett, Kobe Whisenant, and Kaden LaRock placed 18th out of the 55 teams present!!
