

Riders of the Week

January 4 – January 8

Mrs. Bird has chosen 4th grader **Kate Ford** for Rider of the Week. Kate's favorite movie is *Cinderella*, and she loves to play basketball with her family and play catch with her baby brother. When Kate grows up, she wants to be an actress because she will be famous and on television. Her granny is her role model because she is a teacher and Kate wants to be a teacher if the actress gig falls through. Mrs. Bird says Kate is, "a very hard worker, nice to everyone, always has a smile on her face, and is a great student and classmate."

Mrs. Bird has also chosen 4th grader **Jason Arcibar** for Rider of the Week. Jason loves to play video games and soccer with his dad and neighbors and watch his favorite movie, *American Sniper*. Jason's role model is his father because he helps everybody, including neighbors in need. Jason wants to become a computer technician when he grows up because he wants to be able to see inside computers and know what they need to work. Mrs. Bird says Jason is, "always ready to learn, very responsible and always prepared for class. He is a leader for his peers and a pleasure to have in class everyday."
