

Riders of the Week

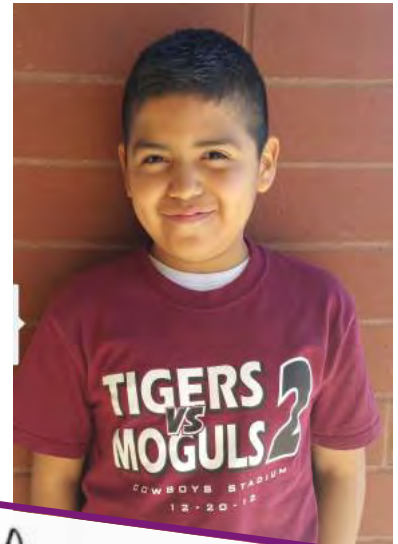

February 8 – February 12

Lissa Campos

Jody Franks has chosen **Lissa Campos** for Rider of the Week. Lissa loves to swim and ride bikes with her two sisters. Her favorite movie is *Minions* because it is funny and makes her laugh. Lissa's role model is her biggest sister, Stacy, because she is confident that Stacy and Lissa can do the best! When Lissa grows up, she wants to be a nurse or a doctor in order to help children in need and that are sick. Ms. Franks says, "Lissa is my Rider of the Week because she has the sweetest disposition and is very conscientious of others. She is also a very hard worker and strives to do her very best."

Jody Franks has also chosen **Israel Ramos** for Rider of the Week. Israel loves to play with his cousin, play Frisbee with his whole family, and play with his grandpa and grandma. His favorite movie is *Spy Kids* and his favorite book is *The Magic Tree House*. Israel's role model is his mother because she helps him do his homework and she is always there for him. She helps him cook any kind of food! She always makes him breakfast and wakes him up early. When Israel grows up, he hopes to be a carpenter that works in houses and fixes things. Ms. Franks chose Israel because he "always has a great attitude and a smile on his face. For Israel, failure is not an option and he is going to do his very best to achieve success inside or outside of the classroom."
