

Riders of the Week

May 2 – May 6

Kareana Polk

Kareana Polk has been chosen for Rider of the Week by Coach Nichols. Kareana’s favorite movie is *The Little Rascals*, and her favorite book is *The Magic School Bus*. Her role model is her brother, Ka’Taveus Evans because he gives her anything she asks for. When she grows up, she hopes to become a P.E. teacher because P.E. is fun! In her spare time, Kareana likes to play kickball and baseball outside. Coach Nichols chose Kareana “because she works hard in P.E. She wants to get stronger, so she works hard during exercises. She also loves to have fun, so she is up for any game. She is a joy to have.”

Coach Nichols has also chosen **Trevor Noble** for Rider of the Week. Trevor’s favorite movie is *Madagascar*, and his favorite book is *Cat in the Hat*. His role model is Coach Nichols because she is smart and good at athletics. Trevor hopes to become a professional basketball player when he grows up because he has been playing for years and he loves the sport. For fun, Trevor practices basketball and hunts for deer. Coach Nichols says, “I chose Trevor because he always tries his hardest in P.E. He even spends extra time at home working on his sit-ups and pushups to try and get stronger. I really look forward to seeing him on his P.E. days. He is always so excited and happy.”
