

Riders of the Week

January 19 – January 22

Mi San

Mi San has been chosen by Amy Chachere for Rider of the Week. For fun, she likes to watch Korean Pop music videos, make art projects, and hang out with her friends. Her favorite movie is *Lucy Hale*, and her role model is Selena Gomez because Mi San likes the way she sings and dresses. When she grows up, Mi San hopes to become a nurse or a translator. She has a lot of ideas, but she isn't exactly sure what she wants to be. Ms. Chachere says, "I chose Mi San because she is excellent student who is super nice and hard-working. She is also a great artist. I know that she is the right candidate for CMS Rider of the Week. Thank you for being an amazing student, Mi San!"

Amy Chachere has also chosen **Soe Hla** for Rider of the Week. His favorite movie is *The Avengers* but he also enjoys *Kung Fu Panda* and all sorts of other titles. He enjoys playing soccer and video games. His role models are his mother and Jesus Christ. They are both always there for Soe Hla when he needs them. When he grows up, he plans on becoming a coach or business owner. Ms. Chachere says, "I chose Soe Hla because he is a very good student who is kind and helpful to others. He is very funny and well-liked by everyone in our program. We are super proud of him and know that he is the perfect candidate for CMS Rider of the Week."
