

Riders of the Week

November 30 – December 4, 2015

Aaron Gonzalez

Cindy Tomlin has chosen **Aaron Gonzalez** for Rider of the Week. His favorite movie is *Fast and Furious 7* because of the car scenes it has. His role model is his mother because she is an independent, strong and supportive woman. When Aaron grows up, he hopes to become a professional soccer player in order to be like his favorite athlete, Lionel Messi. For fun, Aaron likes to play soccer in Nacogdoches on Sundays, watch soccer on TV, fish with his step father and play with his brother. Mrs. Tomlin says Aaron “always has a smile on his face. He has a good attitude and is always willing to help others. He is a very hard worker and does his best!”

Mrs. Tomlin has also chosen **Thu Paw** for Rider of the Week. Thu’s favorite movie is *Wall-E* and she enjoys playing outside with her friends and studying and drawing in her spare time. Her mother is her role model because she helps Thu with everything and Thu says she wants to do the same for her mother when she grows up. Thu hopes to become an artist one day. She says, “[art] helps me calm and be creative. Art inspires me and I love it the most because art is everywhere.” Mrs. Tomlin says, “Thu Paw always does her best. She is always prepares and goes above and beyond in the classroom. Great example of what a CMS Rider should be ... Respectful and Responsible!”
