### **CES – Sherry Couglar**

**College attended:** I have attended Panola College and Stephen F. Austin. I am still working toward my degree.

**Years in education:** I have worked for Center Elementary School for about 7 1/2 years.

**Who is your greatest supporter/inspiration?** My greatest supporter has got to be my husband. He always occupies our son when I am trying to do school work, and he always keeps me motivated when I get overwhelmed by all of it.

#### **Why did you choose to become an educator?**

I have always been a teacher in my heart. It is truly my passion.

**What makes a good teacher?** A good teacher is someone who teaches with a stern, yet loving, heart.

**A career in education means constant growth. What is one area in which you wish to improve?** You can never be too prepared, so I definitely think that this is something that I can for sure improve on!

**What do you love about CISD?** I have to say that the biggest part of CISD that I love is the children. Sometimes you get frustrated and feel like you are at your wit's end, but, in the end, they make it worth it.

#### **From around campus:**

“She is always willing to do beyond in whatever you ask her to do. She is doing an excellent job filling in for Mrs. Byndom. She handles an IPAD room all by herself and is a good role model for all students.”

“Sherry always goes above and beyond. She never complains and is a joy to work with.”
