

Celebration of Excellence

Employee of the Month

FLM – Joanne Shillings

College attended: SFA

Years in education: 23 years

Who is your greatest supporter/inspiration? The students and my coworkers

Why did you choose to become an educator? I just liked working with children and wanted to be a part of helping them with their education.

What makes a good teacher? A person who is very caring and is very flexible.

A career in education means constant growth. What is one area in which you wish to improve? My goal this year was for more one on one with the students so that all of them can succeed.

What do you love about CISD? A very positive working environment.

From around campus:

“She is very nice toward kids”

“She is a very professional teacher that loves kids.”

“She is a great teacher, she is kind and nice toward kids.”

“They have dedicated themselves to Prek3 for 23 years and that deserves an award!”
