FLM – Janice Ward

College attended: Northwestern State University

Years in education: 19 years

Who is your greatest supporter/inspiration?

It was and still is my husband. Even though he is no longer here I still stop and think about what he would say when I need inspiration or support.

Why did you choose to become an educator?

I have wanted to be a teacher since I was in the third grade.

What makes a good teacher?

I think the most important quality in a teacher is the desire to make a difference in the life of a child.

A career in education means constant growth. What is one area in which you wish to improve?

I need to be more organized. I believe that organization is a very important trait in a teacher, and it would make the job of teaching much easier.

What do you love about CISD?

What I love most about CISD are the people that I work with.

From around campus:

“Janice works very hard in her classroom. She seems to enjoy teaching her students. She is always looking for new ideals for her classroom and she shares her ideals.”

“Janice is a very hard working person. She enjoys working with her students.”
