

Riders of the Week

February 29 – March 1

Stephanie Ramirez

Susana Grande has chosen **Stephanie Ramirez** for Rider of the Week. Stephanie's favorite movie is *The Little Mermaid* because the characters and story are funny. Her mother is her role model because she is a great mom and she is always taking care of Stephanie and her siblings, and she is able to play with them. When Stephanie grows up, she wants to be nurse because she likes to help people in need. For fun, Stephanie enjoys playing with her brother and going to the park with her

family. Mrs. Grande chose Stephanie because she is a "very hard working student, she is always attentive, and she is always helping others."

Rachel Fisher has chosen **Ryan Alvarado-Limas** for Rider of the Week. Ryan's favorite movie is *Cars*, and he enjoys playing on his tablet and playing football. His role models are his family members because they are nice. Ryan wants to be an astronaut when he grows up because they are cool and they get to see the planets. Ms. Fisher chose Ryan for Rider of the Week because "he always has a positive attitude and is more than willing to help both his peers and his teacher."
